SECTION 2 USE OF PREMISES

2.1 Permitted Use. The Lessee shall have use of the leased premises for the purposes of building and maintaining wharves, docks and other structures for the convenience of navigation and commerce as shown on the exhibits approved by the Lessor and on file in the office of the Lessor.

Payment is to be made to the Department of Natural Resources, Olympia, Washington 98504.

SECTION 4 RESERVATIONS

4.1 Regulations. The Lessor shall have the right to regulate, either under rules established by the Lessor or by legislative enactment, or by both methods; maintenance and design requirements of all improvements, the rates of wharfage, dockage and other tolls to be imposed by the Lessee upon commerce for any of the purposes for which leased harbor area may be used, and to change such regulations and rates from time to time, and the right to prevent by such means and in such manner as it may adopt; extortion, discrimination, unequal or exclusive privileges, and to cancel this lease for violation of any law, rule, regulation, or order governing the same.

4.2 Termination. The Lessor shall have the power to terminate this lease upon violation or default of any of the covenants and agreements, including the obligation to pay the specified rental contained herein, or for the failure or refusal to erect within a reasonable time hereafter, and continuously to operate and maintain in and upon the harbor area herein described; the wharves, docks, buildings or other structures represented in the exhibits of improvements proposed to be erected therein, which have heretofore been filed with the Lessor, or as altered with the consent and approval of said Lessor and entered upon its records.

4.3 Improvements. No improvement shall be placed upon the harbor area without the prior written authorization of the Lessor. Authorized improvements constructed or placed on the leased premises during the term of this lease by the Lessee, unless otherwise specified, are the property of the Lessee. Upon the termination or expiration of this lease, the Lessee agrees to sever, remove and dispose of those improvements designated by the lessor on the premises, within six months from date of termination or expiration. In those cases where the Lessor requires removal of improvements and such action is not taken by the Lessee, the Lessee agrees that the Lessor may remove such improvements and charge the Lessee for cost of removal and disposal. All improvements allowed to remain on the area herein described, upon termination or expiration of this lease, shall be the property of the Lessor.

4.4 Acquisition. The Lessor reserves unto itself, port district, county, city or other public agency in the territory where the portion of the harbor area described in this lease is located, the right to assume and thereafter hold this lease upon acquirement of the tidelands contiguous thereto and fronting thereon, without any value for said lease except for improvements thereon where such improvements are owned by the Lessee.

4.5 Entry. The Lessor shall have access to the premises at all reasonable times for the purpose of securing compliance with the terms and conditions of this lease.

4.6 Access. The Lessor reserves the right of access to and across the leasehold premises for all purposes and further reserves the right to grant easements and other land uses on the premises to others when the easement or other land uses applied for will not unduly interfere with the use to which the Lessee is putting the premises, or interfere unduly with the approved plan of development for the premises. No easement or other land uses shall be granted to third parties, until damages to the lease holder have been paid to the Lessee, or waiver signed by the Lessee.

4.7 Restrictions on Use. In connection with use of the premises, the Lessee shall:

(1) Conform to applicable laws and regulations of any public authority affecting the premises and the use thereof, and correct at the Lessee's own expense, any failure of compliance created through the Lessee's fault, or by reason of the Lessee's use.

(2) Remove no valuable material without prior written consent of the Lessor.

(3) Not make or suffer to be made, any filling in of the leased area or any deposit of rock, earth, ballast, refuse, garbage or other matter within such area except as approved in writing by the Lessor.

SECTION 5 - REQUIREMENTS

5.1 Assignment and Sublease. This lease, or any portion thereof, may not be assigned, mortgaged, sublet or otherwise transferred without the prior written consent of the Lessor. In granting such consent, the Lessor reserves the right to change the terms and conditions of this lease as it may affect the assignee. Further, if the Lessee is a corporation or partnership and if at any time during the term of this lease, any part or all of the corporate shares or partnership interests of the Lessee shall be transferred by sale, assignment, bequest, inheritance, operation of law, or other dispositions so as to result in a change in the present control of the corporation or partnership by the person or persons now owning a majority of the shares, or change in the holding of the corporate or partnership interest, the same shall constitute an assignment of this lease and as such shall require prior written consent of the Lessor. Failure to obtain written approval of any assignment defined in this lease shall be grounds for cancellation.

5.2 Maintenance.

(1) The Lessee, at his sole cost and expense, shall at all times keep, or cause all improvements (regardless of ownership) to be kept, in as good condition and repair as originally constructed or as hereafter put, except for reasonable use.

(2) The Lessee shall not allow debris or refuse to accumulate on the leased premises, caused either by himself or any person authorized on the premises by the Lessee. Failure to comply with this provision shall be cause to permit the Lessor to remove the debris and refuse and collect the cost of such removal from the Lessee and/or cancel this lease.

5.3 Condition of Premises and Liability.

(1) The premises have been inspected by the Lessee and are accepted in their present condition. Lessee agrees to defend and hold Lessor harmless from any and all claims suffered, or alleged to be suffered on the premises, or arising out of operations on the premises.

(2) The Lessee shall carry with a responsible company or companies satisfactory to the State, a sufficient amount of fire and casualty insurance to recover the replacement cost of any or all improvements located on the leased premises. A copy of such insurance policy or policies is to be endorsed and delivered to the State with provision of ten (10) days' notice of change, expiration and/or cancellation to the State. In the event of fire or casualty damage to any improvement owned by the State, or required to be left on the leased premises at the expiration of this lease, the paid insurance benefits shall be used to immediately replace said improvements in a manner acceptable to the State or, if directed by the State, rehabilitate the area in a manner suitable to the State. Any portion of the insurance proceeds not so utilized shall be returned to the State or if so permitted, to be used to satisfy any outstanding obligations incurred by reason of this lease being utilized for loan security. In the event of fire or casualty damage to any improvement owned by the Lessee, the paid insurance benefits shall be used to either replace the proceeds, or in lieu thereof, rehabilitate the area in a manner suitable to the State. The Lessee shall guarantee that all sublessees shall have provisions to either replace their own damaged improvements or to rehabilitate the area as defined above.

5.4 Assessments. The Lessee shall pay all the annual payments on all assessments that may be legally charged, whether or not such assessments have been levied against the leasehold or the Lessor by the assessing agency.

5.5 Insolvency of Lessee. If the Lessee becomes insolvent, bankrupt, a receiver appointed, or his interest is transferred by operation of law, the Lessor may cancel this lease at its option. Insolvency as used herein, will mean the inability of the Lessee to meet obligations as they come due.

SECTION 6 MISCELLANEOUS

6.1 No Partnership. The Lessor is not a partner nor a joint venturer with the Lessee in connection with the business carried on under this lease and shall have no obligation with respect to the Lessee's debts or other liabilities.

6.2 Non-Waiver. Waiver by either party of strict performance or any provisions of this lease shall not be a waiver of, nor prejudice the party's right to require strict performance of the same provision in the future, or of any other provision.

6.3 Attorney Fees. If suit or action is instituted in connection with any controversy arising out of this lease, the prevailing party shall be entitled to recover, in addition to costs, such sum as the court may adjudge reasonable as attorney fees.

6.4 Succession. Subject to the limitations as stated in paragraph 5.1 on transfer of the Lessee's interest, this lease shall be binding upon, and inure to the benefit of the parties, their respective successors and assigns.

6.5 Notices. Any notice required or permitted under this lease shall be given when actually delivered or when deposited in the United States mail addressed as follows: To the Lessor: Department of Natural Resources, Public Lands-Social Security Building, Olympia, Washington 98504. To the Lessee: At the address given by the Lessee in the signature block, or as shown on later official documents of record with this lease.

6.6 Liens.

(1) No person shall have the right to file or place any lien of any kind or character upon the land or improvements within the leasehold premises without the prior written consent of the Lessor.

(2) In the event liens or other charges are placed on the leasehold premises, including land or improvements, arising out of the Lessee's actions directly or indirectly, the Lessee shall immediately cause such liens or charges to be discharged. The Lessor may forthwith cancel this lease if Lessee fails to discharge such liens or charges after ten days' notice to do so by the Lessor. The Lessee shall pay and indemnify the Lessor for all costs, damages or charges of whatsoever nature, including attorneys' fees necessary to discharge such liens or charges, whether such costs, damages or charges are incurred prior or subsequent to any cancellation of this lease.

6.7 Litigation. In the event this lease, its terms, its use, its occupation or it in any way becomes a matter of litigation, the Lessor shall be notified of such litigation within fifteen days after such litigation is begun. Failure to notify the Lessor of such action shall be cause for cancellation or termination of this lease.

6.8 Lessor's Right to Cure Defaults.

(1) If the Lessee fails to perform any requirement or obligations under this lease, the Lessor shall have the option to correct the obligation of the lease after thirty days' written notice to the Lessee. All of the Lessor's expenditures to correct the default shall be reimbursed by the Lessee on demand, with interest at the rate of one percent per month accrued from the date of expenditure by the Lessor.

(2) In the event any violation or breach of the provisions of this lease is causing damage to the leasehold premises or the Lessee is utilizing the leasehold premises in a manner not permitted by the provisions of this lease, or in any case damages are occurring to the leasehold premises, the Lessor may immediately enter upon the leasehold premises and take such action as necessary to cease such damages or use. In the event the damages or use is occurring by reason of a violation or breach of the provisions of this lease, the Lessee shall be liable for all costs incurred by the Lessor by reasons of such violations. The Lessor, at its option may send notice to the Lessee of such violations and the Lessee shall immediately cease such use or violation and correct and remedy such violations.

6.9 Bond. Lessee shall furnish a bond in the amount of \$ 1,000.00 as a guarantee of the performance of all the conditions set up and prescribed in this lease in all and every part thereof.

The Lessee expressly agrees to all covenants herein, and binds himself for the payment of the rental hereinbefore specified.
